

BROCCOLI GETS RACIST

By Arlo Thompson

EXT. A GARDEN - DAY

BROCCOLI is pacing about. CARROT is casually leaning against a post.

BROCCOLI

You know what's starting to piss me off?

CARROT

Oh no, not this again.

BROCCOLI

Yeah that again. Tomato plants growing in our garden, that's bullshit.

CARROT

Look man, people have considered them vegetables for years. Get over it.

BROCCOLI

Are you serious? They're fruit. Let them grow in some orchard not our garden. Besides, Tomato's a dick.

CARROT

Are you sure this doesn't have to do with Lettuce?

BROCCOLI

Fuck Lettuce. Leave her out of it.

ASPARAGUS enters. Broccoli continues pacing.

ASPARAGUS

Oh no, what's he mad at now?

CARROT

His says he pissed about tomatoes in the garden but I think it's his breakup with Lettuce.

ASPARAGUS

Ugh, it's so weird. Their seeds grow inside them. It's disgusting.

BROCCOLI
Disgusting bullshit.

ASPARAGUS
(to Carrot)
I heard Lettuce left him for
another guy.

BROCCOLI
You shut your mouth. It was mutual.

CARROT
It wasn't. She's with Tomato now.

BROCCOLI
It's not about her! It's about
keeping this garden respectable,
civilized.

CARROT
It's about Tomato.

ASPARAGUS
It's about Tomato.

BROCCOLI
Fuck Tomato. What's next? Peaches?
Bananas? Raspberries for God's
sake?

TOMATO enters, super pumped up.

TOMATO
What's up bitches?!!

CARROT
(reserved)
Hey Tomato.

ASPARAGUS
(reserved)
Hi Tomato.

TOMATO
I've gotta say, I love this garden.
It's some sweet earth up in here.

Carrot and Asparagus reluctantly high five Tomato. Broccoli
refuses.

BROCCOLI
You don't belong here, *Fruit*.

TOMATO
Better get used to it. There's a
new avocado tree just planted up
front. Everyone thinks they're
veggies.

CARROT

Oh yeah, I heard they like hanging
out with Onion and Garlic.

BROCCOLI

Bullshit!

ASPARAGUS

I can't believe it.

CARROT

What else is happening Tomato?

TOMATO

Well, Lettuce was going to send her
regards but she had my cock in her
mouth.

Broccoli lunges at Tomato. He's held back by Carrot and
Asparagus.

BROCCOLI

Fuck you Tomato. I dumped her.

TOMATO

Sure you did. I don't want to rub
it in but when I'm banging that
round body, it is so crisp and
juicy.

Broccoli lunges again, but still held back.

TOMATO (cont'd)

Seriously though, I'm tapping that
shit non stop.

CARROT

Dude, that's a little harsh. Ignore
him B.

Broccoli backs down a bit and Carrot and Asparagus release
him.

ASPARAGUS

Guys, can't we get along?

Broccoli turns on Asparagus.

BROCCOLI

Fuck you Asparagus! You're pretty
much just a weed.

ASPARAGUS

I thought we were friends.

TOMATO
You are one angry vegetable.

BROCCOLI
(to Asparagus)
And you make people's piss smell worse!

CARROT
Knock it off Broccoli! We're all plants.

MUSHROOM strolls into the garden.

MUSHROOM
Dudes! Did you hear about that avocado tree?

BROCCOLI
Get out here you dirty fungus!

TOMATO
Mold lover!

CARROT
Cock Stamp!

Broccoli, Tomato, Carrot and Asparagus all burst into laughter as Mushroom leaves dejectedly.

ASPARAGUS
Can you believe he thinks he's one of us?

BLACK OUT.
